Welcome

Bob's Steak & Chop House is ranked as one of the top steakhouses in the country for a reason. We serve the best steak you've ever had; USDA Prime Beef, seasoned perfectly and broiled by experts. On top of that, the salads are huge, the shrimp are monsters and the bread is hot. It's all about ingredients and Bob's doesn't skimp. Our service is experienced, the wine list is extensive and the drinks are stiff. If you're not a regular already, come by and let us prove why we're so proud of what we do.

Bob's Steak and Chop House...Just like last time. Just like next time.

"...This is exactly the vibe a Texas steakhouse should exude... these are some righteous steaks, y'all."

"Recently I threw the waitress a curveball and ordered a vegetarian plate... The vegetables were sublime ... But, the highlight of the meal was the onion rings – huge, 3-inch sections of onions, battered and fried to a golden brown...They melted in our mouths... they are the best in town."
DMagazine

"Hands down, Bob's is our top choice for great steak, ambience, and personality. Plenty of the rich and famous feel the same way, packing the coveted booths for three-inch ultra prime filets, thick cut onion rings, and stellar service."

"There are options such as seafood, lamb or duck. But it's more fun, and more revealing to choose a couple of the six prime beef offerings... the restaurant's signature steaks are the Cote de Boeuf, a 20-ounce bone-in rib eye, and the bone-in Kansas City strip... The rib eye was rich the way a stick of butter is rich; tender, but not one tiny bit bland. The strip was ... thicker and flavor strong enough to hint of dangerous things..."
